Reference: 1. REACH Regulation EC1907/2006
2. EU Regulation 2011/65/EU (RoHS 2), including EU Directive 2015/863 which amends Annex II of EU Regulation 2011/65/EU. Also incorporating EU Regulations 2002/95(RoHS 1),2003/11, and 2005/59.

Products: All articles manufactured by Taconic International Limited.

To whom it may concern.

I wish to confirm that the company complies to the following legislation:

1. REACH Regulation EC 1907/2006.

All products manufactured and supplied by Taconic International Limited, and supplied to our customers, are defined as articles under the REACH regulations. No substances are intentionally released as a result of using our articles in accordance to recommended specifications. We are considered by the above referenced legislation to be downstream users of substances.

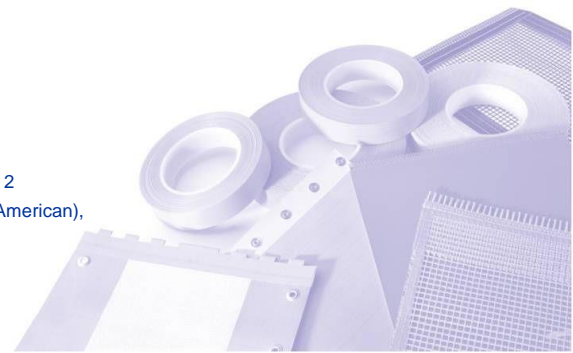

As a consequence, we have been in contact with all our suppliers to ensure that they have evaluated products supplied to us with REACH in order to ensure that there is no uninterrupted supply to our production process.

The list of pre-registered substances has been available on the 1st January, 2009 via the ECHA website. We have checked that all substances used in our preparations and articles are registered with ECHA.

REACH and RoHS Regulation. Taconic International Limited continued.

1a. Annex XV of REACH. SVHC.

We have studied all the **181** substances in the Candidate List of Substances of Very High Concern(SVHC) for authorisation which has been updated on the ECHA website on the **15th January, 2018** in accordance with Article 59(10) of REACH. We can confirm to you that **none** of the substances on this list are utilised by Taconic International Limited or Taconic Poland Limited and subsequently are **not** in any products manufactured by the company or supplied to any customers.

1b. Annex XVII of REACH. Restricted Substances List.

We have studied all of the substances in the restricted list and note that none of them are in any articles supplied to customers.

2. EU Regulation 2011/65/EU (RoHS 2), including EU Directive 2015/863 which amends Annex II of EU Regulation 2011/65/EU. Also incorporating EU Regulations 2002/95(RoHS 1), 2003/11, and 2005/59.

I wish to confirm that none of the materials of concern in the following EU directives are utilised in our product range and subsequently in product supplied by us to our customers:

- 94/62/EC(Packaging and Packaging Waste).
- 76/769/EC(use of certain dangerous substances and preparations).
- 2011/65/EU(RoHS 2).
- 2015/863/EU(RoHS).
- 2012/19/EU(WEEE).
- 2003/11/EC.(Restrictions on the marketing and use of certain dangerous substances and preparations).

The company is fully compliant with both REACH and RoHS legislation.

Yours sincerely,

Christopher Reilly. BSc.
