Product Specification 7108 LSR RED

Taconic's 7108 LSR Red is a PTFE coated glass fibre product with a premium PTFE content on 1 face and liquid silicone rubber on the 2nd face. The food approved high release silicone rubber side makes it ideal for use in domestic cooking applications as it will stay fixed to the surface where food preparation is taking place. The smooth PTFE surface ensures maximum release of the sticky items being handed. 7108 LSR Red offers excellent value and performance with standard width being 1000mm.

Product Properties	Units	Value	Tolerance	Test Method
Reinforcing Substrate		**E-GLASS**		
Coating Type		**LSR**		
% Coating	%	**23**		ISO 2286-2
Total Coated Weight	g/m2	**640**	+/- 5%	ISO 2286-2
Nominal Thickness	mm	**345**		ISO 2286-3
Tensile Strength	%	**2000**	Typical Warp	ISO 1421
		1000	Minimum Warp	
		N/A	Typical weft	
		N/A	Minimum weft	
Colour		**Red**		
Rubber Hardness		**90**		
Operating Temperature	°Celsius	**-73° to +230°**
